**FAIRVIEW ILLAWARRA STUD**  
**MILKING HERD DISPERSAL**  
**On 'Fairview', Cooranga North, QLD.**  
**23<sup>rd</sup> May, 2014**

*Foreward*

As a fellow breeder to the Wenham family of Illawarras; as a provider of specific bloodlines to the Fairview herd; as former Illawarra Classifier for more than 20 years; and as Illawarra Field Officer for an even longer period, I (Lloyd Peters) am happy to introduce this sale.

The Wenhams purchased this Cooranga North farm in Queensland in 1954 with a commercial Illawarra herd in place. The principal, Bert Wenham died in 1976 leaving Mrs Wenham and her family to carry on the farm. Mrs. Wenham, now 90 years of age, is currently living in retirement in Dalby. It was around this time that their son Neville and the Wenham family saw the commencement of 'Fairview' as a registered Illawarra herd.

Throughout the following years, the Wenham family purchased stock from the "heart and soul" of Illawarra breeding, concentrating on successful cow families. The very best of Sunny View, Wamba, Wilmington and Blackburn genetics came to the stud along with approximately 20 head from the major Studs of Tabbagong, Lemon Grove and Parkview in NSW.

This is the largest herd of pure Illawarra genetics in Australia milked on a dry land farm. Much of the time in recent years has been under very unfavourable seasonable conditions and the milking herd is not unfamiliar with the "long paddock" (road), travelling up to 6 kilometres to feed. At the time of writing this, this is where the milking herd spend their daytime. Even with such trying conditions, the 'Fairview' holding has more than trebled over the years, testimony to profitability of this Illawarra herd.

While much of today's Illawarra population carries outside blood, generally these animals lack the resilience and robustness to last the distance with longevity being a major concern at the 'Fairview' stud. However, through some breeding trials, there has been some success and there are a few examples of outcross animals in this sale.

With the excellent rains covering southern Queensland over the last couple weeks, Neville has decided that the time has come to begin a milking herd dispersal, still leaving some 200 heifers for future sales. I invite you on behalf of the Wenham family to Fairview at Cooranga North on 23<sup>rd</sup> May 2014.

I have inspected the herd and all will be fit to travel long distances.

## Introducing the Cow Families at 'Fairview'

\*Cow family names were changed if Fairview had that family name already established; e.g. Jean to Jeanie.

\*\*The Grace, Jess, Cherry, Rose, Ruby, Star and Queenie cow families were a part of the herd before registration commenced and have been brought in through the Illawarra Appendix system.

**MAY, EMPRESS, GLORIOUS, THELMA & JEANIE:** A few years after the Sunny View Dispersal, Fairview purchased the small herd that Wayne Phillips owned that included the cow family lines he had purchased at the Sunny View Dispersal. These comprised of May, Empress, Glorious, Thelma and Jean (now Jeanie). These were all outstanding cow families at Sunny View. The May family at Fairview all descend from Sunny View May 25. May 25 was once Champion Cow at Brisbane and twice Reserve. She was also Champion

*Sunny View May 25*

Brisbane winners of note.

Milk Production cow and Reserve Butterfat Champion of all breeds. Her daughter at Sunny View Park produced just under 10,000 lts in 305 days, and was a successful milking competition cow. The Empress family was regarded as Sunny View's top cow family by many breed experts, providing not only show champions but also production winners regularly. Sunny View Jean 33 was reigning Reserve Champion Cow when purchased by Wayne Phillips. There is an impressive Jean/Jeanie heifer in sale. Another highly regarded family are the Thelmas with both Thelma 99 and her grandmother, Thelma 57, selling to Wayne Phillips. Both were

**PERFECT & MINERVA:** Animals purchased from Wilmington Stud were significant producers, and included grand-daughters of both Wilmington Perfect 7 and Minerva 9. They are pictured here after winning the All

*Wilmington Perfect 7 and Minerva 9*

Breeds Total Solids Championship at Brisbane Royal Show. That year Perfect 7 was Reserve Champion Milk Producer and Minerva 9 was Junior Champion Milk Producer. The previous year Perfect 7 was Reserve Champion Butterfat cow and Junior Champion Milk Producer. Her Butterfat production established a new showground record of 8.28 lbs in 48 hours. Minerva 9 held the Australian Senior Yearling 300 day record of 747 lbs for many years.

**BANGLE:** The Bangles were a tremendous production family at Wilmington, both Bangle 6 and her dam were 10,000 lt cows, with previous generations also very substantial producers. Bangle 6 produced 10,446 lt, 3.8% protein, 394 kg butterfat in 300 days. Wilmington Bangle 6 came to Fairview when Wilmington moved to the Riverina in

*Wilmington Bangle 6*

NSW. She is pictured here with Russell Wenham at the halter when in 1981 she won All Breeds Type and Production Championship at Brisbane, also winning the All Breeds Lactation Championship. She paired with Tabbagong Virgin 62 to win All Breeds Team of Two production. A daughter of Tabbagong Virgin 62 (Wilmington Virgin 9) is responsible for the Virgin family at Fairview.

\*\*\*Other families established at Fairview from Wilmington Stud include Shamrock with a granddaughter of the outstanding Vuegon Shamrock 18; the consistent Lady Myrtles and Wilmington Beauty 11 who won Best Udder at the Toowoomba Royal Show for Fairview. Beauty 11 was 100% Tabbagong.

**FORTUNE, GRACIE, RUTH & VIRGIN:** These families at Fairview came via Wilmington. When Tabbagong sold their milking herd with a large portion of their property, Wilmington selected 20 heifers from top cows to be moved to Queensland. Without a doubt Tabbagong has been one of the leading studs for seed stock that the Illawarra breed has seen. Actual Tabbagong animals from the Fortune, Gracie and Ruth families came to Fairview. Tabbagong Park Fortune 3 has proved to be the highest producer ever herd recorded at Fairview. In 1981 when Wilmington Bangle 6 won the 300 day lactation championship, the Reserve Championship was won by Tabbagong Park Fortune 3. Fairview's highest classified cow, Fairview Fortune 16 descends from this cow. All above Tabbagong cow families are well represented in this sale. Other Wilmington Gracie, Beauty and Virgin animals from top cows also came to Fairview.

**MINNIE:** This family descends from the Lemon Grove Minerva family which go back to the Sunny View Stud who introduced the family from the renowned Yarranvale stud dispersal with a Minerva cow being the top price of that sale.

**DAISY, FOREMOST, ETHEL, MIRTH & TOPSY:** At the Parkview Stud Dispersal Sale in 1991 Neville introduced the Daisy and Fortune (now Foremost) families, now both prominent in the Fairview herd. The Parkview stud breeding program dates back years before Illawarras became a recognised breed. The Daisy family at Parkview was one of their most successful families with Parkview Daisy 3 selling for more than \$10,000. Some quality Daisy family members are to be sold at Fairview. About 4 years ago Neville purchased the final breeding stock of the Blackburn Stud which, by going back through their parent stud Blacklands, were a legend in the Illawarra breed. Families included Ethel, Foremost, Mirth, and Topsy.

**GEM:** At the Cerana Stud Dispersal, Neville selected a Gem heifer, whose dam was popularly considered as equal to any cow in that herd.

**CHARLOTTE:** From the Navleigh Dispersal came the Charlotte family.

**FANCY:** This family came from the Schelbach Allanview Stud.

**LADY JEAN, JEAN, MAFALDA, FLORA & TREASURE:** At the Wamba Dispersal, Fairview purchased their first registered Illawarras. The Lady Jean, Jean, Flora, Treasure and Mafalda families are now well established in the Fairview herd.

## Terms and Conditions of Sale

1 Subject to any reserve price, the highest bidder shall be the purchaser.

2 In the event of a disputed bid, the auctioneer shall be the sole arbitrator. The auctioneer's decision is final, however if one of the claimants will advance, then the lot or lots may be put up again at the auctioneer's discretion.

3 The auctioneer may refuse to accept any bid which, in the auctioneer's opinion, is not in the best interests of the vendor and need not give reasons for doing so.

4 The auction shall be conducted on the basis that the bid price shall be exclusive of Goods and Services Tax (GST). GST shall be added after the fall of the hammer for those sales subject to GST.

5 Where the vendor reserves the right to bid at the auction in respect of a lot and instructs the auctioneer to make more than one bid on his behalf, the auctioneer shall, prior to submitting the lot for sale by auction, announce in a clear and precise manner the number of bids reserved by the vendor in respect of that lot.

6 A bidder shall be deemed to be a principal unless, prior to bidding, the bidder has given to the auctioneer a copy of written authority to bid for or on behalf of another person.

7 As soon as practicable after the fall of the hammer, the purchaser shall sign the agreement for sale (if any).

8 The purchaser of livestock must pay the vendor or stock and station agent who conducted the auction the full amount of the purchase price and whether or not an invoice has been received from the agent:

(a) If that amount can reasonably be determined immediately after the fall of the hammer - before the close of the next business day following the auction; or

(b) If that amount cannot reasonably be determined immediately after the fall of the hammer - before the close of the next business day following determination of that amount, unless some other time for payment is specified in a written agreement between the purchaser and the agent made before the fall of the hammer.

9 The purchaser authorises the auctioneer and/or the auctioneer's clerk, at their discretion, to sign on the purchaser's behalf the agreement for sale (if any) which shall embody these terms and conditions of sale and on the purchaser's behalf to pay or accept responsibility for payment to the vendor of the purchase money to facilitate immediate delivery (which will not transfer title). In this case, as between the vendor, auctioneer and purchaser:

(a) The purchaser shall immediately reimburse the auctioneer for all money paid and for which responsibility has been accepted; and (b) The auctioneer shall have all the rights, powers and remedies of a vendor including, without limitation, the rights, powers and remedies granted under these terms and conditions of sale.

10 No person may bid unless, prior to the commencement of the sale, that person has made arrangements to:

(a) Effect payment in full in cash immediately on each lot being knocked down against delivery; and

(b) Deposit with the selling agent the whole or any part of the purchase money if required by the selling agent at any time during or after the sale, or made other arrangements satisfactory to the selling agent for payment for stock purchased. If bids in breach of this condition are inadvertently accepted, delivery shall not be given until the purchase money is paid and any law, rule or practice to the contrary is accordingly negated as far as possible.

11 (a) All stock purchased, except cattle sold on a live weight basis, shall be at the risk and expense of the purchaser upon the fall of the hammer.

(b) Cattle sold on a live weight basis shall be at the risk and expense of the purchaser immediately after weighing where weighing is post-sale.

Where cattle are weighed pre-sale they shall be at the risk and expense of the purchaser upon the fall of the hammer.

(c) If the vendor does not accept the sale price, the vendor must refuse the final bid upon the fall of the hammer.

12 If delivery is made to, or possession obtained by, the purchaser or its representative before full payment of the purchase money, then until full payment is received, the purchaser:

(a) Does not acquire title to the stock;

(b) Holds the stock as bailee only for the vendor;

(c) Must act in a fiduciary capacity in its relationship with the vendor;

(d) Must store the stock separately or so that they are readily distinguishable from other stock owned by the purchaser;

(e) Is responsible for the safety and well being of the stock;

(f) May make a bona fide sale for market value of any or all of the stock. As between the purchaser and the subsequent purchaser, the sale shall be made by the purchaser in its own name and not as agent for the vendor, however as between the vendor and purchaser, the sale shall be made as bailee and agent for the vendor; and

(g) Must keep and account for the proceeds of any subsequent sale separately from its other money and hold those proceeds, together with the benefits of any rights against subsequent purchasers, on trust for the vendor.

13 If payment is not received according to clause 7, but delivery has been made to, or possession obtained by, the purchaser or its representative:

(a) The vendor or its agent may repossess and resell the stock and enter property owned or occupied by the purchaser or its representative if necessary to do so; and

(b) Interest may be charged at the rate usually charged by the agent for overdue accounts on any amounts which remain owing at any time.

14 The purchaser may not make any claim against the vendor for actions by the vendor under clauses 11 or 12 and indemnifies the vendor against any loss, damage, costs, expenses, penalties, fines or claims suffered by the vendor or any person or entity arising from the vendor exercising its rights under clauses 11 or 12.

15 If a purchaser does not comply with any of these terms and conditions, any stock knocked down to that purchaser may be re-sold by public auction or private contract in whatever lots and manner the vendor's agent decides. The re-sale may be with or without notice and shall be at the purchaser's risk. The purchaser is responsible for all loss and expense arising out of a re-sale and is not entitled to any resulting profit.

16 All conditions and warranties expressed or implied by law are hereby excluded from the sale as far as possible. All lots are open for inspection prior to the commencement of the sale and are sold with all faults, if any. No compensation shall be given for any faults, imperfections, errors of description, number in or of any lots sold or otherwise.

17 The last price called by the auctioneer shall be the amount at which the lot has been sold. Attention is directed to section 50 of the Property, Stock and Business Agents Act 1941 which prohibits "comeback".

**18 This auction sale is a GST "exclusive" sale, which means 10% GST will be added onto the purchaser's invoice for settlement**

PROPERTY, STOCK AND BUSINESS AGENTS ACT 1941

### WARNINGS

It is an offence against the Property, Stock and Business Agents Act 1941 for any person to engage in, or induce or attempt to induce another person to engage in, any collusive practice which may hinder free and open competition at an auction sale of land or livestock, whether by:

(a) Restricting the bidding;

(b) Abstaining from bidding; or

(c) Any other activity which may hinder free and open competition.

Under section 85C, the actual successful bidder at an auction sale must give to the auctioneer or an employee of the auctioneer on the day of the auction, the bidder's name or, where the bidder acts as an agent, the name of the bidder's principal. It is an offence not to do so
