FOREWORD

Time stands still for nobody and so the Downes family of Athelglow Dairies Partnership have come to that point of making the hard decision of ceasing their dairy operation and dispersing this great herd of registered Illawarras. This then offers to Illawarra enthusiasts throughout Australia the rare opportunity to introduce into their own herds these attractive bloodlines bred up to a period of more than 70 years.

Mr Leo Downes was an astute cattle breeder as well as a capable dairyman and so quickly put his talents to selecting foundation stock giving way to the birth of Athelglow stud in 1938. Cow families from The Hill, Kurrawong, Mayfield, Lemon Grove and Swanlea quickly came into the picture while sires OakeyVale Emblem 2nd, Blacklands Dean and A.I. Sires Bantry Falcon and Fairmoye Magistrate all had a great impact on the breeding programme.

Of course sons were also bred and used and some of the more successful ones included Athelglow Timothy, Athelglow Major and the noteworthy Athelglow Even Stevens. Also bloodlines of Lindale Jubilee Jason have had an impact.

The basis of success at Athelglow has been in the development of tremendous cow families of which to the fore are the Claries from Kurrawong, Scarlets from The Hill and May Queens from Beaury. In the local showring these females have performed brilliantly over a 60 year period that takes them back to the earlier days of the Illawarra breed.

Throughout this time also many other dairymen were given the chance to buy Athelglow cattle from 6 reduction sales, the last of these held at the Albion Park property in 1973.

The main event happening since then was in 1978 Athelglow purchased Oaklands stud and property at Berry, and this property began trading as the Athelglow Dairies Partnership. There have been many achievements since and brings us up to the present, Tuesday 22nd of February 2011 for this Athelglow Herd Dispersal.

Time stands still for nobody so this is the day, wherever you may live throughout Australia, to decide that you are going to move forward yourself with your own dairying operation and do it with Athelglow Illawarras. They work, they have been doing that for 70 years. We look forward to your company at this important Illawarra event.

TERMS AND CONDITIONS OF SALE

- 1 Subject to any reserve price, the highest bidder shall be the purchaser.
- 2 In the event of a disputed bid, the auctioneer shall be the sole arbitrator. The auctioneer's decision is final, however if one of the claimants will advance, then the lot or lots may be put up again at the auctioneer's discretion.
- 3 The auctioneer may refuse to accept any bid which, in the auctioneer's opinion, is not in the best interests of the vendor and need not give reasons for doing so.
- 4 Where the vendor reserves the right to bid at the auction in respect of a lot and instructs the auctioneer to make more than one bid on his behalf, the auctioneer shall, prior to submitting the lot for sale by auction, announce in a clear and precise manner the number of bids reserved by the vendor in respect of that lot.
- 5 A bidder shall be deemed to be a principal unless, prior to bidding, the bidder has given to the auctioneer a copy of written authority to bid for or on behalf of another person.
- 6 As soon as practicable after the fall of the hammer, the purchaser shall sign the agreement for sale (if any).
- 7 The purchaser of livestock must pay the vendor or stock and station agent who conducted the auction the full amount of the purchase price and whether or not an invoice has been received from the agent unless some other time for payment is specified in a written agreement between the purchaser and the agent made before the fall of the hammer.
- 8 The purchaser authorises the auctioneer and/or the auctioneer's clerk, at their discretion, to sign on the purchaser's behalf the agreement for sale (if any) which shall embody these terms and conditions of sale and on the purchaser's behalf to pay or accept responsibility for payment to the vendor of the purchase money to facilitate immediate delivery (which will not transfer title). In this case, as between the vendor, auctioneer and purchaser:
 - (a) The purchaser shall immediately reimburse the auctioneer for all money paid and for which responsibility has been accepted; and
 - (b) The auctioneer shall have all the rights, powers and remedies of a vendor including, without limitation, the rights, powers and remedies granted under these terms and conditions of sale.
- 9 No person may bid unless, prior to the commencement of the sale, that person has made arrangements to:
 - (a) Effect payment in full in cash immediately on each lot being knocked down against delivery; and
 - (b) Deposit with the selling agent the whole or any part of the purchase money if required by the selling agent at any time during or after the sale.or made other arrangements satisfactory to the selling agent for payment for stock purchased. If bids in breach of this condition are inadvertently accepted, delivery shall not be given until the purchase money is paid and any law, rule or practice to the contrary is accordingly negated as far as possible.
- 10 All stock purchased shall be at the risk and expense of the purchaser upon the fall of the hammer. If the vendor does not accept the sale price, the vendor must refuse the final bid upon the fall of the hammer.
- 11 If delivery is made to, or possession obtained by, the purchaser or its representative before full payment of the purchase money, then until full payment is received, the purchaser:
 - (a) Holds the stock as bailee only for the vendor;
 - (b) Must act in a fiduciary capacity in its relationship with the vendor;
 - (c) Is responsible for the safety and well being of the stock;
 - (d) May take a bona fide sale for market value of an or all of the stock. As between the purchaser and the subsequent purchaser, the sale shall be made by the purchaser in its own name and not as agent for the vendor, however as between the vendor and purchaser, the sale shall be made as bailee and agent for the vendor; and
 - (e) Must keep and account for the proceeds of any subsequent sale separately from its other money and hold those proceeds, together with the benefits of any rights against subsequent purchasers, on trust for the vendor.
- 12 If payment is not received according to clause 7, but delivery has been made to, or possession obtained by, the purchaser or its representative:
 - (a) The vendor or its agent may repossess and resell the stock and enter property owned or occupied by the purchaser or its representative if necessary to do so; and
 - (b) Interest may be charged at the rate usually charged by the agent for overdue accounts on any amounts which remain owing at any time.
- 13 All females are believed to be sound in the udder by the auctioneers, unless stated to be otherwise by the vendor. Buyers are requested to try cows prior to taking delivery on the day of the sale. Neither the auctioneers nor the vendor will recognise any claim made after 5 p.m. on the day of the sale in respect to cows being unsound in the udder, or light in the quarters. No female is warranted either to be or not to be in calf.
- 14 The purchaser may not make any claim against the vendor for actions by the vendor under clauses 11 or 12 and indemnifies the vendor against any loss, damage, costs, expenses, penalties, fines or claims suffered by the vendor or any person or entity arising from the vendor exercising its rights under clauses 11 or 12.
- 15 If a purchaser does not comply with any of these terms and conditions, any stock knocked down to that purchaser may be re-sold by public auction or private contract in whatever lots and manner the vendor's agent decides. The re-sale may be with or without notice and shall be at the purchaser's risk. The purchaser is responsible for all loss and expense arising out of a re-sale and is not entitled to any resulting profit.
- 16 All conditions and warranties expressed or implied by law are hereby excluded from the sale as far as possible. All lots are open for inspection prior to the commencement of the sale and are sold with all faults, if any. No compensation shall be given for any faults, imperfections, errors or description, number in or of any lots sold or otherwise.
- 17 The last price called by the auctioneer shall be the amount at which the lot has been sold. Attention is directed to section 50 of the *Property, Stock and Business Agents Act 1941* which prohibits "comeback".
- 18 **This Auction Sale is a GST "Exclusive" sale, which means 10% GST will be added on to the purchaser's invoice for settlement.**

PROPERTY, STOCK AND BUSINESS AGENTS ACT 1941

WARNINGS

It is an offence against the *Property, Stock and Business Agents Act 1941* for any person to engage in, or induce or attempt to induce another person to engage in, any collusive practice which may hinder free and open competition at an auction sale of land or livestock, whether by:

- (a) Restricting the bidding;
- (b) Abstaining from bidding; or
- (c) Any other activity which may hinder free and open competition.

Under section 85C, the actual successful bidder at an auction sale must give to the auctioneer or an employee of the auctioneer on the day of the auction, the bidder's name or, where the bidder acts as an agent, the name of the bidder's principal. It is an offence not to do so.

To obtain terms it is essential that this form be returned no later
than three days prior to sale.
