

KG SANDMAN

AN EXCITING NEW ILLAWARRA SIRE FROM GENETICS AUSTRALIA

KG Sandman comes from one of the best cow families of Kangawarra – the Sunbeams. His highly-productive dam is Kangawarra Sunbeam 2618 (ASI 116, Rel 48%) and his sire is the highly-rated Danish bull R FASTRUP.

KG Sandman deserves a place in the breeding program of all Illawarra breeders!

Order your semen now on freecall 1800 039 047.

Dam: Kangawarra Sunbeam 2618 (ASI 116, Rel 48%)

An outstanding performance cow from the two best cow families at Kangawarra, the Sunbeams and the Socks. Sired by Kangawarra Sambo, a Venvale Prince son from Kangawarra Socks 1382.
