~ Foreword ~

Welcome to the 1st Stage Complete Dispersal Sale of Lemon Grove Illawarras.

As most would know Lemon Grove is one of the longest established Dairy herds in Australia being established 1906 and first exhibiting at the Sydney Royal Show in 1910. Certainly the Chittick Family have had exceptional success throughout the years with no less than 10 Champion Cow awards at Sydney and having every in milk winner at Sydney (1975). Lemon Grove were always known for their large show teams and the famous show bulls, they had Champion Bull at Sydney Royal every year from 1962 through to 1976 !

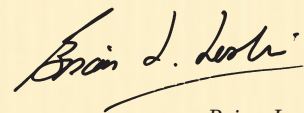

These famed bloodlines have continued down through the years under the management of each generation. Following the move to Victoria in the late 80's Laurie chose, after much thought, to introduce the use of proven outside Red genetics, Red Holstein has been an outstanding success with cows such as Lemon Grove Ruth 146 EX the two time IDW Grand Champion and Lemon Grove Honeymoon 15 EX the 2012 IDW Grand Champion being two fine examples. The range of sires bred from the incredible Lemon Grove Buttercup 204 EX that have such a widespread influence on the breed has been most satisfying to all at Lemon Grove with daughters winning Champion Cows at all major shows in Australia.

Throughout this catalogue you will find all the well known Lemon Grove maternal lines that have been masterfully bred for generations. Production has been continually on the rise with the herd now averaging 8500 litres, many lots sell with more than 10,000 litres.

Lemon Grove have only exhibited at International Dairy Week in recent years, they have won Premier Exhibitor 1999, 2001, 02, 05, 06, 08, 09, 10, 12 and Premier Breeder 1999, 2002, '04, '05, '06, '08, '10, '12 & '13 !

I am sure following a study of this catalogue you will be enthused, Lemon Grove truly has been one of the Illawarra Breeds cornerstone herds. We are most certain they will perform where ever they go and will continue for their new owners.

We look forward to seeing you at this important event on the Dairy calendar.
